Winter 2013

Event-Easter Egg Hunt

Our annual **Easter Egg Hunt** will take place on **Saturday March 23rd beginning at 2pm**. The Egg Hunt will be in the playground/gazebo area and will be divided by age groups with the youngest kids going first. Please arrive by 2pm regardless of your child's age so that we can move quickly from one group to the next. We hope that the Easter Bunny can drop by too so don't forget your camera. The raindate is March 30th 2pm.

Fire Safety Reminder

A good reminder to test out your smoke alarm system. Many of us have a system that is more than 10 years old and the circuit firing might not be working properly. Do more than check the batteries. Test your system to see if the units need replaced. Most of our homes have a series of 3 to 4 smoke detectors that should fire one to the other. Test yours this week. Replacements can be found at Lowe's or Home Depot.

Annual Meeting

Thank you to all who took time to attend the annual meeting. Our attendance was good but we'd like to see everyone at this once a year meeting. This meeting is where items of importance to the community are discussed. The financial documents for the previous year are also distributed. Community members have the chance to ask questions of the Board of Trustees. The meeting is held in February each year so please plan to join us for the next annual meeting in February 2014.

Women's Club/CCWC

The next Coventry Crossing Women's Club meeting will be **Wednesday March 6th 6:30pm at 542 Piccadilly**. All residents are invited to join us.

The Coventry Crossing Women's Club (CCWC) is a neighborhood social and service organization. The mission of CCWC is to bring our neighborhood closer through activities, partnerships and projects that are community focused. You can find CCWC on facebook at
