

From President Mark Derrig

Happy almost Spring! It has been a while since we've written a newsletter and we are grateful to the Women's Club for their help in its revival. Our hope is that between newsletters and our new and improved website (coming soon) we can all be more informed and involved in our great community. Over the last few years we have gained many new residents. Some have taken the time to introduce themselves and we thank you. For those we have yet to meet...welcome. There are many community events each year for our residents to get to know one another. I would also like to point out to our newer families that we are a home owners association. This means we have rules and guidelines that must be followed. If you're new and do not have the "rules", please contact us so we can get them to you. As a reminder to all please remember that sheds, fences and any other construction projects require architectural approval prior to being built. This simple and quick process can save us all headaches down the road. Contact the Association with questions.

*please note our new website will premiere soon

Bus Safety

Please remember to follow bus safety and etiquette. Do not pass the stopped bus in the development. Do not let your kids approach the bus from behind or from odd angles. The driver must be able to see the kids at all times. This is for the safety of the kids as well as the driver. Additional stops were recently added for the Middle School and High School routes to help alleviate congestion.

Park and Grounds Reminder

The community park and all community grounds close at dusk. We appreciate all of the cooperation from the parents and kids in following this policy. Over the last few years we have had numerous issues involving fights, vandalism, alcohol and other items not suitable for a newsletter. By assuring the park is vacated by dark we can prevent most problems. Our goal is not to harass kids; it is to protect the investment in our park and ensure the safety of all those who visit it.

Save the Date

Upcoming Events...
